OUR COUNTY FAIR

To the Editor Ocala Banner:

I wish I could find time to tell you how pleased I am over the movement to reorganize the Marion county fair. Since leaving Woodmar, on April 7, I have been so buried under a multitude of small responsibilities that I have had scarcely had time to think of Florida. Even the weekly visits of the Banner have not served to remind me of it more than for a few brief moments. I really do not possess as close a personal acquaintance with your town's people through its pages as I did last year. But the first of February is only about four months away, and time rolls rapidly. Whenever I let my mind linger on our Florida life I long for the moonlight, the mocking bird and the rippling waters of Lake Weir. We have had a mean summer, and your announcement that blankets are fairly in sight down your way leads me to take up cottage building plans again.

But I started out to tell you how glad I am that one of my best projects is on the way to being worked out. Last winter I urged the re-establishment of the Marion county fair, or rather I was a bit more ambitious, and proposed the organization of a district fair under the name of Mid-Florida fair. My hope and my belief was that, ultimately, such a fair would grow into a real state fair, Marion and Alachua counties can furnish a grand basis for a state fair in agriculture, pedigreed live stock and citrus fruits. I was assured of the co-operation of Alachua county in this proposed district fair. It is as easy as falling off a log to put this thing through. I wish I could be there to help. For a quarter of a century I have had closer observation of the great agricultural fairs of America than any other man. I know the wide ramifications of the uplifting influence of agricultural fairs. I know that Florida needs self-help as well as assistance from the outside world. I know that the spirit of pride and emulation that a mid-Florida fair would awaken would be worth an incalculable amount of good.

I hope those who have put their hands to the plow in the organization of a Marion county fair will not turn back, but will push steadily forward to the realization of their purpose. Then I believe the larger exhibition will soon follow. If long-range sympathy and support will aid you then you have it as abundantly as I am able to send it.

WEBB—EDWARDS

Wednesday evening, September the twenty-third, at the home of the bride's parents, Mr. and Mrs. J. N. Edwards, at Williston, their youngest daughter, Miss Inez Edwards, was married to Mr. Herbert Webb of High Springs. The Edwards home was prettily decorated for the occasion, the color scheme being green and white. This wedding was quite a society event at Williston, and was largely attended by friends of the bride and groom.

The pretty young bride is quite youthful and is a sister of Mr. Will Edwards and Mrs. Joe White of this city, both of whom attended the wedding as did also Mr. White and the children and Miss Edna Culverhouse of this city. Mr. Webb of Dunnellon, father of the groom, was also among the out-of-town guests at the wedding.

Miss Edwards wore a white wedding gown and looked exceedingly pretty. She formerly lived in this city, and the announcement of her wedding will be quite a surprise to her friends and acquaintances here.

After the ceremony, a delicious wedding supper was enjoyed by the bride and groom and wedding guests.

Mr. and Mrs. Webb will make their home at High Springs, where the groom is in business.

CAMPBELL—HAYNE

Mrs. Charles Campbell has issued invitations to the marriage of her daughter, Eudora Lee, to Mr. Walter Lee Hayne, in Atlanta, on Thursday afternoon, October the first. Owing to the recent death of the bride's father the wedding will be a very quiet one.

The Campbell family resided in Ocala for many years, Mr. Campbell being the superintendent of the Ocala Water company, and Miss Eudora Campbell was born in this city. Friends of the family here will be interested in the announcement of her approaching marriage.

MR. J. C. B. KOONCE SELLS SUMMER COUNTY TIMES

Mr. J. C. B. Koonce, who for nearly ten years has been editor of the Sumterville Times, has sold his paper to Mr. S. N. Graham, who assumes control of the paper at once.

Mr. Koonce will be greatly missed in editorial circles, and his decision to leave the newspaper field is very much regretted all over the state.

The following is Mr. Koonce's farewell card in the last issue of the Times:

"Mr. S. N. Graham, having purchased the Times plant and good will with this issue my connection with this paper ceases. Mr. Graham will find only friends I am sure.

"To everyone who has aided me in my efforts, either in deed or wish, I give my grateful thanks. Whatever may be said, be sure that if you have had faith in me I have tried to deserve it, and you made no mistake.

"To everyone who has thought or spoken ill of me, my full and free forgiveness. I am too near 'the end' to harbor any unkind remembrance. Time, the great rectifier of all wrongs, will prove that my heart has always been loyal and true to Sumter county and that I have never intentionally wronged anyone.

"Of the plans I had, the hopes for the future of this paper, it is needless to speak now—bright and happy dreams as they were, for they now must be but memories. No man could edit a paper for nine years and not love it. However weak and poor it may be, each issue is a child of his thought, and callous indeed would be the heart that knew no grief at parting. But thankful I am that in the sorrow of my farewell there is no bitterness, but for each and all the same good-bye.

"J. C. B. KOONCE."

IN HONOR OF MRS. ANDERSON

One of a number of enjoyable parties which have been given for Mrs. E. L. Anderson of Florida, who is visiting her sister, Mrs. Henry Peeples, on Piedmont avenue, was the luncheon at which Mrs. Susan Alston Brown entertained at her home, "Oak Rest," in Decatur.

There were fall blossoms in the house and the porch parlor was glorified by masses of goldenrod and potted plants. On the luncheon table was massed a radiant centerpiece of salvia, and the menu served was a delicious one of several courses. Covers were laid for ten, and the occasion was a happy reunion of the old friends of Mrs. Anderson, who was Miss Anita Walker, and whose first visit to Atlanta this is for several years.—Atlanta Georgian.

Mrs. Anderson resided in Ocala for several years, but now makes her home in Dunnellon.

MR. ZEWADSKI TO STUMP HIS STATE FOR BRYAN

W. K. Zewadski, one of the well known attorneys of Springfield, yesterday received word from the democratic national committee that he had been placed upon the list of speakers for the national campaign. The selection of Mr. Zewadski by the committee is a happy one, as he is an excellent speaker, thoroughly conversant with the issues to be discussed before the people this fall, and has had considerable experience on the stump.—Springfield (Ill.) Republican.

Mr. Zewadski, until two years ago, was a resident of this city, and his friends here will be glad to know of the prominence he is obtaining in his new home. Mr. Zewadski is a fluent speaker, and we feel sure will win votes for the democratic leader.

SEEKS THE SPEAKERSHIP

I. L. Farris, one of the democratic nominees for representative in the next legislature from this (Duval) county, is making a canvass for votes to elect him speaker of the house of representatives. He has been down in South Florida this week. Farris has as opponents for the position J. E. Alexander of DeLand, Syd L. Carter of Gainesville, and several back counties are yet to be heard from.—Metropolis.

The Baracca social Thursday night at the home of Mrs. S. A. Standley, on Oklawaha avenue, was a very pleasant affair. The Standley house is a most hospitable one, and Mrs. Standley is never happier than when giving the Baraccas a good time. Quite a number of the Baraccas and their young lady friends attended the social and spent the evening very merrily.

ALL FOR BRYAN

To the Editor Ocala Banner:

Find enclosed my check for \$2, to be applied to the Bryan and Kern campaign fund.

I have just returned home from an absence of forty-two days to Battle Creek, Mich., where I carried my invalid wife and son for treatment at the Macfadden sanitarium.

While they were taking treatment I traveled with a friend in a large touring car (automobile) through Northern Indiana, Eastern Illinois and Southern Michigan, visiting cities and towns, factories and farms, and saw and conversed with many citizens. I was surprised at the strong outspoken sentiment by farmers and mechanics in behalf of Bryan and Kern.

On account of internal division on the local option liquor traffic, you may expect Indiana to go democratic by a safe majority. The republican state and county candidates favoring county unit in local option; the democratic candidates favoring "home rule," election precinct local option—and they will win.

Yours truly,

R. F. ROGERS.

Messrs. Frank and Sam Mathews, Fred McAteer, E. C. Bennett, Harvey Clark, James Carlisle and Fred Weihe returned home Friday afternoon over the Seaboard from Silver Springs. These young men went up to Jacksonville last Sunday morning on the Merry Widow and had a splendid time. On the return trip, when near Palatka, they ran the boat over a log and broke one of the blades of the propeller. The boat also sprang a leak as a result of the accident and they had to remain at Welaka for repairs, making them nearly a day longer on their entire trip than they anticipated. The Merry Widow is a splendid little craft, and in spite of the accident, which occurred after dark, made a fine trip to and from Jacksonville.

Mrs. R. F. Rogers was over in the city several days this and last week, leaving Wednesday for her home in Lynne, after spending a short while with her granddaughter, Mrs. E. Revere. Mrs. Rogers was en route home from Battle Creek, Mich., where she and her son, Ed Rogers, have been under treatment. The latter is now at his home in Jackson, Tenn., and both are much improved in health.—Lake City Index.

Miss Ethel Haycraft, a talented young lady from Ocala, is here on a visit to her aunt, Mrs. Singleton. Although only fourteen years of age, few can equal her in performing on the piano, and she bids fair to attain a national reputation as a pianist. Already one of the leading lyceum bureaus of the country has offered her a salary of \$25 a week and all expenses, and proper chaperonage to travel.—Inverness Chronicle.

Mrs. W. H. Powers and little son have returned home from Saluda, N. C., where they have spent the summer. Dr. Powers left Saluda yesterday for Denver, Colorado. He expects to spend the winter in Colorado or some other western state, and when he is settled Mrs. Powers and Master Harris will go out and join him.

Mr. John H. Taylor, who has been spending the past month at Asheville and other points in the mountains of North Carolina, and with relatives in the eastern part of North Carolina, has returned home. Mrs. Taylor was with him on his trip, and they had a most enjoyable time. Mrs. Taylor stopped off in Atlanta for a short visit with friends before returning home.

Dr. and Mrs. L. F. Blalock have returned home from Atlanta. Mrs. Blalock has been away nearly all summer and Dr. Blalock went up about ten days ago, stopping in Madison on his way to Atlanta. Mrs. Geo. L. Taylor, who was at Madison, accompanied Dr. Blalock to Atlanta. She will return home later.

Mrs. R. F. Rogers has returned home from Battle Creek, Michigan, where she has been a sanitarium for several months. Colonel Rogers preceded his wife, having reached Ocala last Saturday. Mrs. Rogers stopped off at Lake City and spent a week with relatives there. She is very greatly improved in health.

Mr. Marion Pelot, who has been in Jacksonville all summer, working for Mr. S. A. Rawls, has returned to Ocala and will attend the Ocala High School this winter.

PE-RU-NA RECEIVES PRAISE

For Relieving Such Symptoms as Debility, Backache and Headache.

Mrs. Tressie Nelson, 609 North 5th Ave., Nashville, Tenn., writes: "As Peruna has done me a world of good I feel in duty bound to tell of it, in hopes that it may meet the eye of some who has suffered as I did. "For five years I really did not know what a perfectly well day was, and if I did not have

MRS. TRESSIE NELSON.

headache, I had backache or a pain somewhere and really life was not worth the effort I made to keep going.

"A good friend advised me to use Peruna and I was glad to try anything, and I am very pleased to say that six bottles made a new woman of me and I have no more pains and life looks bright again."

There are a great many phases of woman's ailments that require the assistance of the surgeon.

But by far the greatest number of such cases are amenable to correct medicinal treatment.

A vast multitude of women have been relieved from the ailments peculiar to their sex through the use of Peruna as prescribed by Dr. Hartman.

He receives many letters from all parts of the country relating to subjects of vital interest to womankind.

Of the vast multitude of women Dr. Hartman treats annually, only a small per cent. of them consider it necessary to write to the Doctor at all.

While it is not affirmed that Peruna will relieve every case of this kind, it is certainly the part of wisdom for every woman so afflicted to give Peruna a fair trial.

Mrs. Joseph Lacelle, 124 Bronson St., Ottawa, East, Ontario, Canada, writes:

"I suffered with backache and headache for over nine months and nothing relieved me until I took Peruna. This medicine is by far better than any other medicine for these troubles. A few bottles relieved me of my miserable, half-dead, half-alive condition.

"I am now in good health, have neither ache nor pain, nor have I had any for the past year. If every suffering woman would take Peruna, they would soon know its value and would be without it."

Mrs. M. Kliner, 2548 E. 30th St., S. E., Cleveland, Ohio, writes:

"I am enjoying good health since taking your medicine. I had suffered for a good many years previous to taking Peruna, and ever since I can say that I do not know what headache or neuralgia is. I can most assuredly say that anybody afflicted with catarrh in any form can be cured by taking Peruna."
